# BACK TO THE FUTURE

## BACK TO THE FUTURE: ARE YOU IN?

On the 16th and 17th of March 2023, we would like to take you on the next Hop on Hop off in Leeuwarden & Groningen. We will be happy to meet you in Leeuwarden on Thursday 16 March and head to Groningen by bus on Friday for the continuation of the programme.

Both days are dedicated to 'Back to the future' in which we look ahead to the future of honours programmes. This is a mix of workshops by/with students and plenary sessions.

### Spending the night in Leeuwarden?

You can! On the Leeuwarden campus, it is possible to stay overnight at the Notiz Hotel: the learning company of the hotel management course. If you want to stay overnight at Notiz, you can use the [link](#). In fact, if you use this, you will book the room at the employee rate. The code can be used until 20th of December 2022. First come, first served!

Prefer to stay in the centre? That's also possible. However, we have no direct cooperation with that for this event.
